SHARKS THRIVE AT KENDALL CAMPUS

Kendall Campus Baseball Facility

Tradition is an important part of any college athletic program. At Miami Dade College, baseball history stretches from the NJCAA National Championship teams of Hall of Fame coaches Demie Mainieri and Charlie Greene to 20 Florida Community College Activities Association state championships and 27 Southern conference titles as well as a combined 3000-plus wins in the school's history. More than 400 former Miami Dade college student-athletes have signed professional baseball contracts and more that 60 of these players have gone on to play at the major league level.

Since Miami Dade's three campus teams combined into one in 1998, Coach Steve Hertz and the Sharks have compiled a 465-157 mark and have won seven Southern Conference titles and an FCCAA State Championship in 2001.

Your participation in the 2010 Shark Alumni Golf Classic will help the Sharks continue this outstanding nationally recognized tradition and support our ongoing efforts to improve the athletics program at Kendall Campus. Funds from the annual golf event provide much needed revenue for athletic scholarships and improvements to our facilities.

Miami Dade College Baseball Coach **STEVE HERTZ**

It is with much appreciation and thanks to our colleagues, supporters, and friends for your continued support of our annual golf event that we welcome you to the **2010 Sharks Alumni Golf Classic.**

This major charitable event, held on behalf of the Miami Dade College Athletics program, has a 21-year history of success and it is our hope that this will be our best tournament ever. Your support of this tournament has helped many disadvantaged student-athletes to further their future both in the classroom, on the court, and the field of play.

Miami Dade College Baseball is extremely proud of its noted past and excited about its dynamic future. Your contribution to our tournament plays an important role in developing our student-athletes and offers them the opportunity for success in their lives. Since 1962, Miami Dade has sent hundreds of its student-athletes into professional baseball at the highest level. Over 70 former Miami Dade standouts have reached the major league level, with many having outstanding careers. In addition, our former players have gone on to become solid citizens and community leaders.
